

# Original options

fabric sling for comfort, has wheels for easy moving (other designs can come with wheels too)

same technology as the Wave one we've been looking at, without the wave design

padded seat stacks also comes in sling fabric (non padded)

doesn't say if it can be stacked, would need to ask; curious if woven would be comfortable

# Recommended styles

Laguna Beach  
EZ Span Ribbon Chaise

More comfortable  
Easier / less expensive to repair  
Lays flat

Laguna Beach  
Relaxed Sling Dining Chair and Spa Chair (mesh)

More comfortable in upright version  
Many more options for fabric = a more varied, upscale look  
Same frame style as lounge to keep it cohesive

# Concept 1: Neutral with pops of blue like Sailfish Room, timeless and classic
