Re: Greenwood Village 2026 Pavement Rehabilitation Project  
Paving Activities in Your Neighborhood

**Dear Greenwood Village Resident,**

This notification is to inform you that Asphalt Specialties will be performing roadway improvements along your section of South Hanover Way beginning **Monday, June 22<sup>nd</sup>**. These improvements are part of the Greenwood Village 2026 Pavement Rehabilitation Project. Work will consist of a full depth removal and reconstruction of the asphalt pavement on your cul-de-sac section of South Hanover Way.

The reconstruction operations are scheduled from **Monday, June 22<sup>nd</sup> to Monday, June 29<sup>th</sup>**. **In order to minimize the duration of the work, this work will require the road be closed between these dates.** The location of alternative parking during this time is included on the map on the reverse side of this notice.

The work will consist of completely removing the asphalt surface, approximately 5" from the roadway. Then 8" of subgrade soils will be removed and replaced with structural road base. Once this is complete a 3" layer of asphalt will be placed. The top layer of asphalt will be placed a few weeks later, with the rest of the streets in the neighborhood scheduled this year.

"No Parking" signs will be placed at least 24 hours in advance of the work. We ask that you observe and obey all "No Parking" signs and traffic control measures to ensure a safe work zone and to expedite the construction work. We also request that you schedule deliveries and services (such as landscape maintenance) around the scheduled paving dates. **On trash day, please place your carts at the end of the driveway and our contractor will move them out of the work zone and return them at the end of the day.**

Should you have any questions or concerns about the project, please feel free to contact the Greenwood Village Project Manager, James Edwards at 303-708-6143 or [jsedwards@greenwoodvillage.com](mailto:jsedwards@greenwoodvillage.com).

Sincerely,

A handwritten signature in black ink that reads "James Edwards". The signature is written in a cursive, flowing style.
